

# Braven BRV-1s Rear Water Cap Replacement

This guide will allow you to replace the Rear Water Cap of the Braven BRV-1S if it is broken, dented, or damaged.

Written By: Carmelo DeLeon

## INTRODUCTION

Learn how to properly remove your waterproof cap on your Braven BRV-1s in order to replace it.

## Step 1 — Rear Water Cap

- ❗ Please be aware that unless the replacement cap is an original manufacturer part, then the device may no longer be waterproof

## Step 2

- Unscrew the Rear Water cap in a counterclockwise rotation with your fingers

## Step 3

- ★ when screwing in the replacement rear water cap, ensure it is properly aligned to ensure the device remains waterproof

To reassemble your device, follow these instructions in reverse order.
